

# Parents Transition Information

**Welcome to Year 6!**

**Hello Year 6!**

**I am your new teacher, Miss Latchman**

# Welcome

This information is to prepare you and your child for the start of their learning journey in Year 6.

We hope they settle back into school well.

# Expectations

Sacred Heart has always had a very high expectation of uniform and we hope to work together with our families to continue this .

- Children in neat and tidy full uniform every day with correct socks and black shoes.
- No earrings are to be worn due to health and safety. Please do not get your child's ears pierced during school time. If children are having their ears pierced then it must be done in the six week holiday.
- Watches are allowed to be worn but not smart watches.
- No other jewellery or nail varnish is allowed.
- No extreme hair styles. Hair should be worn short for boys and not have patterns, lines or artwork shaved into it. There should be no ridges nor perceived difference in length of boys' hair. Girls may wear short extensions of natural colour, but hair must be tied back and be of a neat appearance.
- Long hair must be tied back for health and safety reasons.

# Uniform

## Boys:

Winter

Grey trousers

# P.E.Kit

**PE is an important part of the curriculum and so children must be prepared for this lesson every day.**

- PE kits must be brought to school at the start of every week and left in school until the end of the week. They then need to be taken home to be washed.
- PE days must change and so this is why it is important to be prepared for PE on any day.
- All children need pumps, T-shirt and shorts for P.E. Lessons and all items must be named.
- School polo shirts can be bought from the school website.

P.E Polo Shirt

P.E Shorts

Velcro Plimsolls

# Partnership with home and school

You, as parents, are the key educators of your children but we need to work together to create a positive attitude to school

- We need to work together and ensure homework is completed to a good standard and handed in on time.
- We also need to work closely together to encourage high expectations in behaviour and learning attitudes.
- Please ensure you are encouraging your child to be independent e.g. carrying their own bags into school, getting their PE bags ready for the correct days, having the equipment they need, handing in their homework on time etc.
- Reading, Writing and Maths activities should be encouraged at home.
- Please encourage children to look after their belongings and make sure that everything is labelled.

**Children will be provided with a pack of equipment at the start of term that they must take care of. School will replace items that 'run out' but parents will need to supply equipment that is lost or broken.**

# Homework in Year 6

- Children in Year 6 should spend approximately 1 hour and 30 minutes per week on homework tasks.
- Children must read their home reading book **every** night and record this in their reading record.
- All children will have a library book to take home every night too that your child can change themselves in class.
- Maths homework will focus on the times tables that should be learnt by heart.
- Homework will be given out on a Tuesday and we expect children to have completed and handed it in by Friday.
- The homework set will be based on the thematic or English work being studied in class.

**Homework is an important way of establishing a successful link between home and school. We aim for all our children to develop as independent learners and we believe homework will help children to acquire this skill.**

# Sacraments that Catholic children celebrate in Year 6

Year 6 is a very important and special year for Sacramental preparation

## Sacrament of Confirmation

- Your children will prepare for this Sacraments through:
  - RE lessons in school
  - Parents' meetings
  - Masses at Sacred Heart Church.

Your role as a parent is vital in supporting your children through these steps in their journey of faith at Sacred Heart Catholic School.

- More information about the dates for the Sacrament of Confirmation will be provided in due course.

# Lunch and break times

- All children must bring a water bottle to school that can be refilled using the water machines. These bottles need to be take home and washed everyday.
- Year 6 children may bring a piece of fruit or vegetable for their morning break.
- The school operates a healthy eating policy which means items such as crisps, chocolate and sweets are not allowed at break times.
- Your child may either have a school lunch or their own packed lunch.
- If your child chooses to bring packed lunch then it must be healthy. No sweets, chocolate or drinks other than water are allowed in school.
- School dinner money is payable through ParentMail.  
[Please download the app onto your phone.](#)

# Thank you

We understand that the children had a very strange end to Year 5 but it is our aim to settle them back into school routines as quickly as possible in September.

Many of your children may feel a little nervous or anxious about returning after such a long time at home. In the first few weeks of September, our priority will be to restore your child's well-being and help them to feel part of Sacred Heart community once again.

If you have any questions or concerns then please contact the school office or email at [enquiry@sacredheart-sch.net](mailto:enquiry@sacredheart-sch.net).

We will keep you all in our prayers.

Have a lovely Summer break and we look forward to seeing you all on **Wednesday 2<sup>nd</sup> September**.
